

## Respect

## Integrity

## Caring

## Commitment

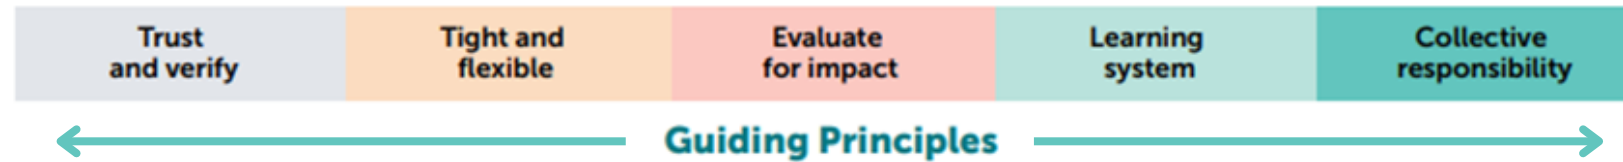

## Honesty

### Core Practices:

- Quality Instructional Leadership
- Feedback + Walkthroughs
- Professional Learning + PLCs
- Assessment Data
- Celebrating learner successes

### Our Vision

North Ingle School provides high quality teaching and learning empowering all learners to be confident, resilient, and successful global citizens.

### 2026 Pedagogical Focus

Through consistent pedagogical practices and effective learning design using SA curriculum, we will increase achievement for all students R-6 in English and Mathematics, with a focus on metacognition and self-regulation.

### Area of Impact: Effective Learners

- Meta-cognition
- Self-Regulation
