

Materials and services charge

Information sheet for primary school families

The State Government has committed to removing universal materials and services charges from 2027 as part of its cost-of-living measures for South Australian families. Schools will not lose under this policy. This initiative will be funded by the State Government and your school will be provided with the funding that it would have received through the universal materials and services charge. Your school will also continue to receive funding to meet the needs of students and to staff classrooms.

Legislative changes are still required before the new arrangements can take effect. This information is provided to support families to plan for 2027.

Families will not be required to pay the universal materials and services charge.

The initiative will avoid the need for primary school families to apply for school card and this will reduce administrative burden for families and the school.

Families will continue to pay for items such as uniforms, digital devices and optional excursions, as has always been the case.

Please note that the discontinuation of the universal materials and services charge applies with effect from the 2027 school year. Any outstanding charges should continue to be paid, and your school can work with you if there are any issues.

This initiative does not apply to international or non-resident students and separate advice will be provided in due course.

The focus of this policy is for schools. The current fee arrangements for preschools will continue.
